DECORATIVE PLANTS INC.

place the highest value on service and client satisfaction. Our three hundred plus accounts are maintained at the highest standard for best appearance and worry-free reliability. From design to installation to weekly maintenance visits, our employees strive to please. All our service technicians are uniformed. Our client service representatives offer our clients years of experience in the design and planning of interior plantscapes. Our management is assisted by a senior service supervisor who visits all accounts on a rotating basis for quality control and good customer relations. Our company is a certified by W.B.E.A. and we take pride in our commitment to responsive service and the best quality of plants and care in the Houston area.

DECORATIVE PLANTS, INC.

has been a member of the Associated Landscape Contractors of America which is now PLANET for twenty years. Our company is also a supporting member of the Plants for Clean Air Council and GPGB (Green Plants for Green Buildings).
